Please arrive on time or registration is forfeited. Virtual classes are locked 10 minutes after the start of class.

CLASS DESCRIPTIONS:

****AMPD Power Flow** takes yoga-inspired movements combined with kettlebells & resistance bands to create an amazing, low-impact strength training workout for all levels & abilities.

***Aqua Energize:** A lower intensity water workout that incorporates strength & toning exercises while helping to build endurance & energy. This class focuses on core strength, balance & flexibility.

****Aqua Power:** This high intensity workout combines cardio & strength building. Increase your core strength, endurance & power with the help of various techniques, buoyant dumbbells & noodles.

****Barre/Barre Express:** A toning class that uses high repetitions & fuses ballet barre technique, Pilates, Yoga, & weight-training.

****BODYPUMP™:** LES MILLS™ certified instructors will lead you through scientifically-backed moves & techniques Using light to moderate weights with lots of repetition that gives you a total body workout with encouragement, motivation & great music. *Virtual: requires some kind of weights.*

*****Cardio Strength:** A high energy, full body workout combining cardio, weights, BOSU, and more!

****Cardio Strength Lite!** A lite version of the full body workout combining cardio, weights, BOSU, and more!

***Chair Yoga:** A slow paced, gentle stretch that is accessible for everybody. Relax & find your way into a moving meditation that melts away stress & brings greater comfort to the body. Suitable for people with arthritis & those unable to get on the floor without assistance. *Virtual: needs a chair with no arms.*

***Chair Zumba® Gold:** A modified Zumba class made just for you! Improve your flexibility, coordination & your stamina all the while having fun, & moving to oldies & current music & socializing with friends. *Virtual: needs a chair with no arms.*

***Easy Movement and Stretch:** Gentle body movements in the water designed to stretch, strengthen & improve balance.

***Fundamentals of Vinyasa:** This class focuses on learning & deepening the practice of Vinyasa by moving the body in harmony, balance, with fluidity & flexibility in long sequence flows. Beginners that would like to learn as well as long time practitioners that would like to focus on form & flow are welcome!

*****Full body HIIT:** If you're looking to maximize the little time you have to workout, this class is for you! FBH will help you build muscle & improve your cardiovascular fitness by working your upper & lower body, & abs with a side of cardio!

***Gentle Yoga:** A gentle form of yoga that is slow-paced & thoughtful. Great for beginners or as a condensed restorative practice.

***Gentle Yoga and Guided Meditation:** is the same great Gentle Yoga class with a guided meditation bonus.

****Group Cycling/Cycle Express:** Experience a fun and exciting stationary bike ride for all levels of fitness. You will be coached & motivated through a simulated bicycling journey. If you are a beginner, you must arrive 10 minutes early for proper set-up. Heart rate monitors recommended!

*****H.I.I.T. (High Intensity Interval Training):** One of the best methods to boost resting metabolism rate & burn calories. This class uses intervals to elevate heart rate using both aerobic & anaerobic heart rate zones. Increase endurance & strength, it's a fast & furious workout!

*****HIGH** transforms old school aerobics into a modern, heart pounding, & effective workout. Classes are fun, easy to follow & choreographed to set you up for success. Participants will maintain a high heart rate as they build cardio endurance & strength to the beat of great music.

****Kettlebell AMPD:** Combines the benefits of strength training, functional movements & cardiovascular exercise by using lightweight kettlebells & choreographed moves set to upbeat music to provide a safe & effective workout for all ages & fitness levels.

*****Kettlebell HIIT:** This class combines high intensity intervals & kettlebell weight training into one of the most challenging workouts you'll get all week. Kettlebells offer a different kind of training using dynamic moves that will increase strength, balance, agility & cardio endurance.

***Nia:** Combining dance, martial arts & mindfulness, Nia tones your body while transforming your mind. More than just a workout, it is a holistic fitness practice addressing each aspect of your life-body, mind & soul. It combines 52 simple moves with dance arts, martial arts & healing arts to get you fit in 60 minutes.

****Pilates (all levels):** Employs traditional & micro-movement exercises for gentle joint mobilization & core strengthening. Builds torso strength & increases flexibility through a series of gentle floor exercises. **NOTE:** We advise taking Beginning & Level I classes to establish an understanding of Pilates technique prior to taking Level II classes.

****Pilates Barre Fusion:** A toning class that combines elements of Pilates and Barre together for a great workout!

****Pound®:** Using lightly weighted drumsticks, this class fuses cardio, conditioning, & strength training with yoga & Pilates inspired movements for a heart-pumping workout!

***Roller Reset and De-stress:** This class is focused on helping you get a better stretch, de-stress your muscles & increase your range of motion & mobility with the use of a foam roller.

***Senior Power:** This class uses dance movements & light

weights to strengthen your joints, as well as improve mobility & balance. *Virtual: needs a chair with no arms.*

****Vinyasa Yoga:** Balance & flexibility is the focus of this class. Sequences of flowing poses link together breath & movement.

****WERQ** is the wildly addictive cardio dance class based on trending pop & hip hop music. This class is a nonstop cardio dance class with repetitive routines that are built to learn while doing & following the instructor's cues. All dance & fitness levels are welcome!

***Yin Yoga:** Slower & more meditative yoga, giving you space to turn inward & tune into both your mind & the physical sensations of your body. It targets your deep connective tissues, like your fascia, ligaments, joints, & bones

****Yoga/Pilates Hybrid:** Employs traditional & micro-movement exercises for gentle joint mobilization & core strengthening. Builds torso strength & increases flexibility through a series of gentle floor exercises. **NOTE:** We advise taking Beginning & Level I classes to establish an understanding of Pilates technique.

****Zumba®:** A fusion of Latin & international music help create a dynamic, exciting, effective workout with fun aerobic/fitness interval training! So fun, you don't notice how high your heart rate can get!

***Zumba Gold®:** Join the party for active older adults that combines Latin & international dance moves and music.

GROUP EXERCISE PARTICIPANT GUIDELINES

Members and guests participating in class are asked to adhere to the following to help keep classes at the highest possible standard:

1. Masks are optional.
2. Arrive on time (or a few minutes early.)
3. Keep conversations to a minimum.
4. Be courteous to other class participants and classes. Transition time is built into back to-back classes. If there is a class scheduled to start immediately following another we ask participants to exit quickly so that all classes can start on time
5. Do not use cell phones/electronic devices during class.
6. Prioritize safety and health above all else.
7. Please go to your instructor with questions and comments before or after class and they will answer them to the best of their ability.
